A brand new product from Polin that will enable you to create a thrilling and attractive atmosphere in the kids' play areas of your facility. Our Pirate Ship will be an exciting play area for your little guests with its Pirate theming, several decorative Animation Articles and waterslides of different colours and types.

NEW

MINI PIRATE SHIP

Some time ago, Polin had introduced an interactive play center with a pirate theming, decorative animation articles and numerous waterslides of different colors and types, which is one of the most popular product these days. Some of clients, due to space constraints demanded a more compact Pirate Ship that can fit into any pool, residential, municipal, etc. They spoke and Polin listened and worked on an alternative and finally came up with a creative new design that meets exactly its clients' needs and requests: Mini Pirate Ship: A mini kids slide with a pirate theming that delivers fun, safety, function, comfort, innovation, capacity, entertainment, ease of operation and maintenance. It is very easy to ship and to install that you can do it yourself... It can fit into pools with space constraints.
